SERVICE HISTORY

Alfa Romeo SZ 1991, At some point in time every one of us has wondered why on Earth styling studies of cars never seem to make it into the market place. We have seen all sorts of stunning designs in the magazines. We've been led to believe the latest from one of the main stream manufacturers is going to set the world alight at launch, but its seldom they do. Very few manufacturers are brave enough to go ahead with such radical designs. Alfa Romeo is one of the few makers to bring a car, so near to it's styling studies onto the market. In combination with Design House Zagato they brought us the SZ. Known in Italy at launch as Il Nostro. In the flesh the SZ is like no other car on our roads today and on launch it outshone everything in it's class. Its stunning. From every angle this car has a presence that belies its size. The 3.0 Litre 6 cylinder engine is a joy, and it performs absolutely superbly for the car is very light. These cars handle well, are very comfortable with plenty of sp...
