2001 Jaguar XKR Coupe, The Jaguar XK R was introduced in 1998 as an addition to the XK8 Range of Jaguar's Coupes and Convertibles. Power was increased significantly to 370BHP, which is significant for the size of car. As such the XKR's drive superbly. An effortless way to travel, and an easy car in which to eat up long distance journeys. Only this car doesn't appear to have covered any long journeys. It's covered only 20,000 miles from new, with one owner. This was a special order from new. Finished in Sea Frost Metallic which is rare for an XKR, it has a stunning two tone magnolia hide interior, This was the top of the range Coupe in its day, and It's no less a car now. If you are looking for a true collectors Jaguar, then this is the car for you. Yes, there are plenty of other XKR's for sale, but very few with such low mileage and ownership, and even less in this stunning colour combination. Go on, Treat Yourself, You can't treat anyone better, and at £16995 it might be considered an...
